

The Medical Guardian™

A Healthcare Solution for Reducing the Spread of Germs

Medical Healthcare Countertop Screen

The medical Guardian™ is ideal for doctor clinics, dental and pharmacy settings and is built to help reduce the spread of infectious, airborne germs commonly spread by coughing or sneezing. Create a protective shield in any place of commerce that requires direct interaction between healthcare employees and patients in close proximity.

The acrylic countertop screen comes with options for the size and type of opening at the bottom, allowing for the transfer of items or payment for transactions. The medical Guardian™ reduces the risk of virus spread while allowing items to be exchanged at the checkout through a protective barrier.

- Overall three-panel dimensions: 3' - 3/4" x 6' 8"
- A sturdy, 'no-tip' solution that is portable and can fully collapse for storage
- Easily sanitized with any common disinfectant
- One year warranty
- Made in the USA

Quality Guaranteed

Built from durable, clear acrylic with a solid aluminum frame to meet the requirements of healthcare business environments.

Safer Interactions

Put your clinic customers at ease with a visible barrier that allows for face-to-face interaction while still maintaining separation of personal space.

Protect Your Employees

May help shield patients and healthcare employees from unintentional exposure to a sneeze or cough during transactions.

Essential for Business

Ideal for essential medical businesses such as doctor clinics, dental, pharmacy and other healthcare facilities.
