Efficiently Manage Documents and Business Cards

Model Number: DS-610

Robust Software

The included software makes the DS-610 a powerful scanning package:

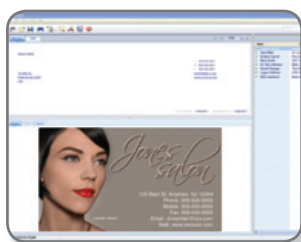

Presto!® PageManager® 9 (Windows® and Mac®)

- Scan and organize digitized files... View, edit, e-mail or save files as searchable PDF, HTML, RTF, or TXT files.
- Quickly merge multiple file formats from various folders into a single, multi-page PDF.
- Define a folder as a document inbox for e-mail attachments so you can easily monitor all incoming files.
- Scan to E-mail, Scan to Folder, Scan to OCR, Scan to PDF, or any designated application.

Presto! BizCard 6 (Windows®) / Presto! BizCard 5 (Mac®)

- Scan and export contact information directly to Microsoft® Outlook® and other contact management systems.
- Capture and convert business cards into a searchable and editable database.
- Sort contacts by company group, category, first or last name.

Also Includes:

DSmobileSCAN II (Windows® only)

Allows scanned documents to be saved as Adobe® Acrobat® (PDF), JPEG and TIFF file formats.

TWAIN and WIA Drivers

Use to control all details of the scanner settings. Compatible with any application that uses TWAIN/WIA devices support.

Key Features:

Compact Design

Lightweight and compact, the DS-610 is a great solution for mobile professionals or for desks with limited space.

Versatile

Scan business cards, photos, and documents – up to 8.5" x 14" in size. Easily scan invoices, insurance forms, contracts or receipts to your computer as PDF, JPG or TIFF files for saving or e-mailing.

USB Powered

The USB interface conveniently draws power directly from your computer and comes with a detachable USB cable. No batteries or wall outlet required.
