# Affordable, Desktop and Small Office Laser Printers

The new HL-2200 Series monochrome laser printers from Brother™ feature a compact design, and make a great addition to any small office or home office where space is at a premium. Ideal for light to medium print volumes, they feature a fast print speed and produce crisp, high-quality output for professional reports, spreadsheets, correspondence and other important business documents.

## Exceptional Performance

Enjoy the convenience of producing high-quality documents right from your desktop or small office. With a print speed of up to 27ppm, you can stop wasting time and move on to other pressing tasks.

The automatic duplex feature for two-sided printing (not available on HL-2220) helps save paper and reduce costs by cutting paper usage in half.

## Low Cost of Ownership

In addition to being affordable to purchase, these printers use both standard and high-yield replacement toner cartridges. Using the optional high-yield cartridge can help lower your operating costs.

## Flexible Connectivity

Depending on the model, these printers can be installed either on a wired or wireless network to maximize use or they can be connected locally via their USB interface.

## Convenient Paper Handling

These printers come with an adjustable, 250-sheet capacity paper tray to handle letter or legal size documents. In addition, a straight through paper path via the manual feed slot ensures your letterhead and envelopes always look their best.

## Models at a glance

### HL-2220

- Up to 21ppm
- Up to 2400 x 600 dpi
- Hi-Speed USB 2.0 interface
- 8MB memory

### HL-2240D

*All of the same features as the HL-2220, plus:*

- Up to 24ppm
- Automatic duplex printing

### HL-2270DW

*All of the same features as the HL-2240D, plus:*

- Up to 27ppm
- Wireless & Ethernet network interfaces
- 32MB memory
- PCL®6 emulation

### HL-2280DW

*All of the same features as the HL-2270DW, plus:*

- Flatbed copying and color scanning
- Backlit LCD display

## Green features that help save paper and conserve energy

At Brother™, we believe in taking responsibility, acting respectfully and trying to make a difference. We call this approach Brother Earth. Our products feature a number of green features including:

- **ENERGY STAR® Qualified** – Helps reduce energy costs
- **Duplex Printing** – Helps save paper  
(Not available on HL-2220)
- **Deep Sleep Mode** – Uses ≤1W when not in use
- **Toner Save Mode** – Ideal for printing your less critical business documents
- **N-in-1 Printing** – Print multiple pages on one sheet of paper

Duplex Printing

N-in-1 Printing

## Replacement Supplies\*

- **TN-420** – Standard-Yield Toner Cartridge (1,200 pages)▼
- **TN-450** – High-Yield Toner Cartridge (2,600 pages)▼
- **DR-420** – Drum Unit (12,000 pages)^
