HL-3070cw

The HL-3000 Series
Compact, Digital Color Printers with Networking

The HL-3000 Series digital color printers from Brother® are ideal for small offices or connected workgroups. These compact printers offer a fast print speed in color or black and produce brilliant color output for creating high-impact brochures, presentations and other important business documents right from your desk.

In addition, the HL-3000 Series printers come standard with built-in networking for sharing with multiple users on your network, and their generous paper input capacity helps reduce the number of times you need to refill the paper tray.

LCD Display
Instantly indicates printer's status

Rear Output Tray
Allows for straight-through paper path for envelopes

High-Quality Color Output
Up to 600 x 2400 dpi resolution using Brother's Digital LED print technology

Top-Loading Design
Makes toner replacement quick & easy

Manual Feed Slot
For letterhead and envelopes

Ethernet and Hi-Speed USB 2.0 Interfaces
(HL-3070cw adds wireless)

250-Sheet Capacity Paper Tray
Adjustable to handle letter or legal size paper

HL-3040cn

Fast, Brilliant Color Output

Ideal for home offices or small workgroups

The HL-3000 Series printers offer many advanced features including:

- **Toner Save Mode** – Help save money by reducing toner use

- **Header / Footer Print** – Print the date and time on your documents

- **Manual Duplex Printing** – Driver-assisted, two-sided printing

- **Watermark Printing** – Insert a logo or text into your documents

- **Poster Printing** – Print one page on multiple sheets of paper

- **N-Up Printing** – Print multiple pages on one sheet of paper

- **Secure Printing** – Password protect your documents

HL-3040CN
Digital Color Printer with Networking

The HL-3040CN is a digital color printer with networking that is ideal for home offices, small offices or small workgroups. It features an up to 17ppm print speed in color or black and produces professional-quality color documents on demand, quickly and affordably. In addition, its stylish, space-saving design helps save valuable workspace and complements virtually any environment.

The HL-3040CN also offers flexible paper handling and comes standard with a one year express exchange limited warranty for worry-free printing.

HL-3070CW
With Wireless Networking

The HL-3070CW is a great choice for small offices or small workgroups. It offers all of the features of the HL-3040CN, plus it includes a wireless 802.11b/g interface so you can place it where it's most convenient and help eliminate cables. It also offers PCL®6 and BR-Script3▲ emulations for greater compatibility, a backlit LCD display, and 64MB standard memory for faster processing of important print jobs.

The HL-3070CW also features a USB Direct Interface for convenient walk-up printing that allows you to print PDF and JPEG files from your USB flash memory drive* or photos from your PictBridge-enabled digital camera*.

For users with wireless networks, setup has never been easier. If your wireless access point supports SecureEasySetup™, AOSS™ or Wi-Fi Protected Setup™, wireless settings can be automatically configured by simply pressing a button on your router.

HL-3000 Series Digital Color Printers

These compact, digital color printers are designed for small offices or small, connected workgroups. They feature a fast print speed in color or black and high-quality output for producing brilliant presentations, brochures and other business documents right from your desktop. The HL-3000 Series printers also offer built-in networking for printer sharing and a generous paper capacity for fewer paper refills. Finally, a top-loading design makes toner replacement quick and easy, and a Toner-Save mode helps reduce toner usage.
