easy•peel® Thermal Patient ID Bands

Product Features

- Tamper-evident, adhesive closure.
- Compatible with most direct thermal printers to produce crisp, accurate bar code wristbands on demand.
- Quick and easy to print and apply to patients.
- Soft, smooth, and lightweight material for patient comfort.
- Specially designed for durability and to resist moisture, alcohol, and hand sanitizer to preserve patient data and bar codes.
- Antimicrobial additive protects wristband surface against non-pathogenic bacteria.
- Latex Free and MR Safe.
- Meet critical patient safety and regulatory guidelines.

easy•peel® wristbands are available in various styles, colors and sizes.

Substitute *** in product number below for 3-digit variant number above.

SKU	Size	Dimensions	Print Area	Bands/Roll	Rolls/Box
BAA-1306-***	Adult	1" X 11" (25.4 MM X 279.4 MM)	1" X 4.96" (25.4 MM X 126 MM)	200	6
BAA-1800-***	Adult, Narrow	0.75" X 11" (19.05 MM X 279.4 MM)	1" X 4.96" (25.4 MM X 126 MM)	200	8
BAA-1384-***	Infant	1" X 6" (25.4 MM X 152.4 MM)	1" X 1.77" (25.4 MM X 45 MM)	350	6

† Print area is reduced by 1/8" (3.175mm) on all sides when selecting an outline color variant.

This is a sample of widely used products for an initial comparison.

CONVERSION

Don't be held captive by proprietary cartridge-based wristbands that are high-priced and wasteful (not easily recyclable).

Calculate your return on investment (ROI) to traditional (roll) wristbands with the purchase of a standard direct-thermal wristband printer, like the Citizen CL-300.
