

# Surveillance **CAMERAS**

## High Performance **Bullet-Style Cameras**

### Product Features:

- Highly Compact Outdoor Bullet Cameras Using 1/3" CCDs
- Completely Sealed Metal Housing Enables Outside Applications or even use Underwater [model EL-37B]
- 420 TV Lines of High Resolution [EL-19B & EL-37B]
- 380 TV Lines of High Resolution Color [EL-21C]
- Excellent Low Light Sensitivity
- Includes Cable With BNC Connector for Video and a DC Jack for Power
- Excellent Picture Quality, Compact Size, Metal Structure and Easy Installation
- Built-In Reverse Polarity Protection
- Comes With Mounting Bracket

### Camera Specifications
