HP USB POS Keyboard   EY025AA

Introduction

Featuring a full QWERTY layout in a compact 14-inch form factor, the HP USB POS Keyboard offers optimum space efficiency in retail environments with limited room. Its robust design also offers spill and dust-resistant keys.

The HP USB POS Keyboard is fully programmable, with 28 configurable keys for easy layout configuration. There is also the option to program all keys providing convenient data access.

Key Benefits

- Compact 14" keyboard
- Fully programmable US 106-position key layout with 28 reconfigurable keys
- USB 2.0 plug and play capability
- Touchpad with two mouse buttons
- IP54 spill and dust resistant key area
- Attachable keyboard feet to elevate the rear of the keyboard

Compatibility

The HP USB POS Keyboard is compatible with HP Point of Sale System rp5000 and rp5700.

Service and Support

Your Option Limited Warranty is a one (1) year (HP Option Limited Warranty Period) parts replacement warranty on any HP-branded or Compaq-branded options (HP Options). If your HP Option is installed in an HP Hardware Product, HP may provide warranty service either for the HP Option Limited Warranty Period or the remaining Limited Warranty Period of the HP Hardware Product in which the HP Option is being installed, whichever period is the longer but not to exceed three (3) years from the date you purchased the HP Option.
