HP iPAQ 110 CLASSIC HANDHELD

Just what you need to organize your busy life.

The HP iPAQ 110 Classic Handheld is a stylish personal organizer for busy people from all walks of life. Designed to keep your life in balance, this sleek handheld is an affordable companion to your cell phone.

Stay organized and energized on the go.

It's easy to keep your calendar, contacts, and tasks with you and up to date. Stay productive with familiar software tools at your fingertips—Office Mobile® includes Word, Excel, and PowerPoint. Bring your important documents and files from your PC with you on the go.

Balance your work and life with digital entertainment. Listen to music and watch videos with Windows Media Player Mobile. View, share, and manage your photos with HP Photosmart Mobile. Play pre-installed games or download your favorites from the Internet.¹

Connect when you want to keep in touch with the people who matter.

Integrated Wi-Fi networking makes it easy to access to Internet and email at the office, home or campus, and at other Wi-Fi hotspots at airports, cafes and hotels.^{1,4} Connect to your company's Exchange server to synchronize your email, contacts, and appointments. With Wi-Fi and Internet phone service, you can even use your iPAQ 110 to make inexpensive phone calls.²

Connect to Bluetooth accessories like headsets and keyboards to be more productive, or just have fun. You can even connect to your Bluetooth mobile phone to go online.^{1,2,3}

The Wireless Connection Manager helps you extend your battery life – check your connections and turn them off when you're not using them.

Get it done, and look good doing it.

The iPAQ 110 suits your style, in any situation. Just over 1/2-inch thin and just under 4 ounces light, it fits securely in your hand with a non-slip finish. Easily see what you're doing, indoors and out, on the big, bright 3.5-inch touch screen display.

Balance life and work with this powerful, stylish, and affordable personal organizer.
