the entire operating temperature range

Altitude – Non-operating, 0 to 30,000 ft (0 to 9,144 m)

over the entire nonoperating temperature

range

**Compatibility** Recommended for use with HP products.

Options HP CRT Multimedia Base-integrated power supply, volume control, speakers, headphone, and

microphone jacks; optional; part number PM552AA. See product QuickSpecs for more information.

Software HP Display LiteSaver feature lets you schedule Sleep mode at preset times to help protect the display

against phosphor burn, drastically lower power consumption and energy costs, and extend the lifespan

of the monitor.

Warranty Three years parts, labor, and on-site service. 24-hour, 90-day, toll-free technical support. Replacement

options may include second business day on-site service, or next business day direct replacement, at HP's sole discretion. With direct replacement, HP will ship a replacement display product directly to you. Using the prepaid shipping labels provided, return your failed display to HP in the same packaging as the replacement. Certain restrictions and exclusions apply. For details see your product warranty or

contact HP Customer Support.
