TOOL KIT

Network Professional Tool Kit

PN200TK

2 YEAR WARRANTY

Complete Solution for Network Engineers, Installers and Value Users

The PN200TK Network Tool Kit lets the professional or amateur handle their cabling jobs and troubleshooting with ease. From crimping and cutting, to "sniffing" out problems with the cable tester, Networking jobs will be accomplished faster and easier. It is ideal for testing and troubleshooting Network installations using 10Base-T, 10Base-2 and 100Base-TX cabling. The durable canvass, carrying bag comes with handles and dual-zippers and is compact for storage purposes.

HAWKING TECHNOLOGY ®
