Economical Yet Functional

The Intermec® 6808 thermal printer is the newest addition to the Intermec line of belt-clip printers. It is small, lightweight, durable and weather resistant, so it is easily incorporated into field use. Its reliable printer mechanism offers exceptional print clarity with the versatility of printing graphics, bar codes and logos.

It can quickly print both standard and bar-coded receipts, yet provides users with a 4-inch paper width capability to accommodate 40-column formats.

80-column Alternative

The unit offers the ability to provide a compressed 80-column receipt, without the field worker having to carry the bulk of a larger 80-column printer.

Long-Lasting Power Supply

The Intermec 6808 has a vehicle charger option that ensures a long day's work in the field. It has a sleep mode for battery conservation, and the unit wakes itself up when it senses data input.

Easy to Use

The Intermec 6808 is fully compatible with the Intermec 6804T, 6805a and 6806 printers. In addition, its functional design makes paper loading simple, since roll-type paper fits easily into place. And its one-year warranty provides additional peace of mind.

Intermec

Physical Characteristics

Length: 16.5cm (6.5")
 Width: 16.9cm (6.7")
 Depth: 6.7cm (2.6")
 Weight: With one battery 580g (20.6oz)

Environment

Operating Temperature:
 14° to 140° F (-10° to 60°C)
 Drop Spec: Withstands multiple 183cm
 (6') drops to concrete

Power Source

2 internal batteries, Lilon 1.8 amp/hr, 7.2v,
 2200 mAh each
 User replaceable

Battery Recharging

Nine hours to full charge using a vehicle
 cigarette lighter power adapter or stan-
 dard AC power adapter

Printer Mechanism Characteristics

Direct thermal line printer
 203 dots per inch (dpi)
 Print Speed: 5.1cm (2") per second

Fonts

Three resident fonts
 Up to four additional fonts may be
 downloaded

Print Capabilities

Characters, graphics and bar codes

Print Medium

Thermal paper, one ply
 Paper Width: 11.2cm (4.4")

Print Duration Per Charge

Over 9144cm (3,600")

Interface

IrDA®
 RS-232 serial

Chargers

AC wall charger
 12V vehicle charger

Regulatory Approvals

FCC Title 47, Part 15, Subpart B, Class B
 EN 55022 Class B
 EN 50082-1
 EN 60950

Warranty

One year warranty. Additional service
 packages available.

Some approvals and features may vary by country
 and may change without notice. Specs may vary
 based upon the specific configuration or features
 selected. Please check with your local Intermec sales
 office for further information.
