- + True-Flat PCAP multi-touch screen
- + Power Over Ethernet Enabled
- + IP55 Rated for Water and Dust Resistance (Front & Back)
- + Heat Resistance up to 140° F (60° C)

All-in-One Touchscreen

The Pro Panel 21.5" Android All-in-One Touchscreen combines the rugged durability of our Kitchen Premium Series monitors with an integrated Android processor—making it the perfect terminal for kitchen display systems, customer kiosks, POS stations, digital signage, and more.

Enjoy full HD resolution on a slim, wide 21.5" LCD PCAP multi-touch screen that's IP55-rated (front and back) to withstand heat, grease, and humidity in the toughest environments. Plus, with Power over Ethernet (PoE) support, you can streamline your setup using a single USB-C connection for both power and data.
