POS PLATFORM SYSTEM II

MMF's Platform System II™ combines a precision-built MMF cash drawer with a rugged platform that securely holds and organizes POS peripherals in an integrated arrangement. The easy to assemble system features an adjustable bezel for a pole display, ample room for a keyboard, printer and display and a large rear compartment for cable and surge protector storage.

Cash Drawer Features

- Stainless steel front plate
- Unitized steel, reinforced 1 piece body
- Fixed steel rails with roller suspension system
- 2 Front Media Slots
- Two Function Plunger Lock.
- Interfaces with most popular receipt printers as well as serial and parallel interfaces
- High impact "Tuffy" 5 coin/5 bill currency tray with metal bill weights.
- Open/close detection

Optional Accessories

- 6 coin and 5 bill currency tray
- 3 position keylock
- locking cash tray cover
