

Enduro™

The single to double-sided upgradable
printer for plastic cards

Future-proof

The Magicard Enduro can be field-upgraded from single to double-sided ID card printing, with a simple drop-in upgrade. The Enduro Duo is double-sided out of the box.

Flexible

A 100-card feeder at the rear and a hand-fed card slot at the front provide users with both batch-printing and one-off card printing convenience.

Secure

The Magicard Enduro features the patented HoloKote® watermark technology, printed on the card during the normal print cycle, with no additional consumable costs.

Smart

Attractive, compact design. Colorful LCD display with simple button menu selections. The USB interface and Microsoft certified plug & play driver make the Magicard Enduro easy to install and easy to use.

2 year limited warranty

The Enduro is supplied with a free, 2 year depot warranty.
