

## xTablet Flex 10A with Android

The lightweight, rugged, entry level tablet with Android

The proven rugged Flex 10A is now available with next level Android 9.0 O/S performance, powered by the MT8163 Quad-Core Processor. GMS, SOTI and VMWare certifications offer the highest level of functionality, security and (OTA) management. Convenient features include an easy carry briefcase handle and back hand strap along with MobileDemand's versatile snap mount plate come standard. Optional keyboard and integrated MSR are also available for the Flex series. Extremely durable xCase, scratch-proof screen protector with ample storage and power make the Flex 10A with Android a perfect solution for light to medium-duty mobile applications and an ideal entry-level rugged tablet for construction, agriculture, distribution, and retail industries.
