PROTECTION

Engineered for extreme durability to offer the greatest iPad protection possible. Each xCase must endure rigorous military drop testing in order to pass our stringent standards. The ingenious shock absorbing rubber corner bumpers and ridged shell combine to create the toughest case on the planet.

CONVENIENCE

Several convenient features come standard with each xCase, including an easy carry briefcase handle and back hand strap along with MobileDemand's versatile snap plate. Added peace of mind comes in the form of sealed ports for extra protection from the elements.

MOUNTING

Unlimited mounting solutions are made possible with the exclusive snap rail, included with each xCase. Used in conjunction with MobileDemand's patented Quick Release Snap Mount System, mounting to desks, walls, vehicles, forklifts, tripods and so much more is simply a snap!

EXPANDABILITY

The forward thinking design includes several screw inserts engineered to accommodate future and current add-on accessories*. So the xCase grows with the needs of its user, expanding its functionality and extending its useful life.

*Current bolt-on accessories available include easel, stylus holder, 2 and 4 point shoulder strap. Protective folio available for 9.7 model.
