

POS Terminals

ION TP5N

Resilient Touch Display

The TP5N features a 10" widescreen LCD with TruFlat projected capacitive (PCAP) multi-touch technology built to take the rigors of heavy everyday use.

Mobility

The ION TP5N features a removable tablet-style head. Perfect for line busting, its stylish aesthetic adds to any environment.

Locking Base

The quick locking base protects the tablet from unexpected drops caused by accidental bumps.

Wireless Compatibility

Bluetooth and WiFi gives you the freedom to leave the counter behind and still connect to all your wireless and networked devices.
