Mobile Ordering Terminal OT-200

Partner Tech is pleased to announce the launch of OT-200, the revolutionary ordering terminal handheld, running on Windows™ Mobile 6.5

The functionality and stylish appearance of the OT-200 is especially suited to the hospitality environment thanks to its compact size, lightweight design, and durability. Orders can be transmitted directly from the OT-200 to the bar or kitchen via WiFi, allowing your employees to spend more time with guests and less time walking back and forth.

With its touch-enabled 4.3" widescreen LCD, integrated WiFi and Bluetooth, 1.2 metre drop test and IP54 rating, OT-200 is a cost effective handheld terminal which will enhance any hospitality / retail solution.
