

CARE . TRUST . RESPONSIBILITY

# PAT-120 Android / Windows Tablet POS

Smart POS, Keep Your Work Simple

All-in-One, Printer Integrated, Portable POS for Windows/Android

The PAT-120 is the optimal point of sale (POS) for cafés, confectionaries and other merchants that want to bolster the customer experiences they provide through the flexibility of a fully-functioning portable POS. With built in Bluetooth and Wi-Fi capabilities, the PAT-120 for Windows and Android equips your staff with complete mobility whether they are processing payments in-store or at a fair, special event, or sidewalk sale. During peak season, this all-in-one, printer integrated, portable terminal can serve as a pop-up POS for on-the-spot orders, helping your staff deliver next-level customer service that will enhance their productivity, improve efficiency, and increase overall revenue.

## SPECIAL FEATURES

Android 5.1 or Windows 10

10.1" LCD touch display

Tablet design gives mobility freedom in business

Docking embedded with printer, optional MSR, and IC card reader support rich I/O, fulfills all requirements in any applications

Compact and ultra slim designed to maximizing usability
