

PS3315

KEY FEATURES

- Intel® Celeron® J1900 (2M Cache, 2.42 GHz)
- 4GB DDR3L SO-DIMM (8GB Max.)
- Resistive Touch
- Fan Free
- Gigabit LAN
- VESA Mount Capability
- Multiple Height Adjustments
- Low-Profile, Foldable Base
- Options
 - Biometric Fingerprint/Encryption-Capable MSR, Rear Display, Printer, Cash Drawer

Outstanding Price/Performance

The PS3315 is a 15" fanless touch POS terminal with all the essential functions and capabilities to satisfy businesses of all sizes, and represents one of the best value choices in the entry-level POS terminal segment.

With a streamlined design and a foldable base, the PS3315 provides users with unmatched flexibility to adjust the screen to a height and angle depending on the application.

Designed to better manage peripheral connectivity by separating a full set of ports into the top and the bottom of the terminal, the PS3315 ensures neat, reliable peripheral cabling.

About Posiflex

- Designer and manufacturer of Point-of-Service and industrial touch terminals
- Revolutionary technology, reliable quality, reasonable pricing and recognized service
- Delivers reliable terminals for maximum uptime and lower total cost of ownership
- Comprehensive suite of peripherals and services
- Innovative excellence since 1984 with more than 30 patents for innovation
- Global presence
- Two ISO 9001/9002/14001 Certified Facilities
