PRINTEKMOBILE™

Everywhere. Everyway. Everytime.

Rugged, compact, and lightweight.

The MLP-35 is a versatile and easy to use affordable 3" mobile printer. The lightweight design and long battery life ensures users can comfortably wear it on a belt or use a shoulder strap for an entire shift. It's the perfect printer for a mobile work force that is always on the go with the need to print.

- Easy-to-read control face via its OLED screen.
- Simple drop-in paper loading for quick paper changes.
- Print receipts or labels up to 3 inches per second.

MLP-35

The MLP-35 is an affordable 2" to 3" receipt and label printer for field professionals who need a lightweight, durable printer for all-day comfort.

The newly designed MLP-35 is an advanced printer that allows you to quickly print and tear 2 to 3-inch-wide receipts, tickets, delivery notices, and more on site, saving time and money—all while improving customer service.

Quick, comfortable, and reliable 3" Printer.

- Ultraportable 3" printer allows for use with only one hand.
- Print speeds up to 3 ips.
- Printer configuration is quick and easy with a web based interface.
- OLED screen provides feedback for ease of use.
- Compact, smallest volume mobile printer.
- Dual tear bars for easy tearing of paper.
- Compatible with Windows, and Android.
- Extensive fonts, character sets, bar codes, and graphic capabilities.
- Emulations that allow the printer to be a drop-in replacement for most mobile printers.
- 2-yr, bumper-to-bumper warranty.

Leadership that leads the way.

For over 35 years, Printek has fulfilled the business printing needs of organizations worldwide. We've led the industry with mobile printers designed to improve productivity and increase ROI. And they include PrintekMobile's unparalleled level of customer support. Our clients say it's the best in the industry. So why not join them, and find out for yourself.
