

GV-BCBW

WATERPROOF B&W BULLET CAMERA

SUMMARY

The GVI Series of bullet cameras are designed for both indoor and outdoor applications where small, discrete video cameras are required. GVI waterproof camera series can be used in most applications. As with all GVI products, crisp, clear video images and high quality construction assure years of reliable service.

The GV-BCBW is a weatherproof camera for use in any outdoor or indoor application. Weatherproof and very suitable for outdoor environments, the GV-BCBW can be installed in almost any location. Equipped with a power supply the GV-BCBW is ready to be installed with no additional accessories required. The GVI series of bullet and special application cameras are the perfect imaging devices for a variety of surveillance applications.

FEATURES

- Weatherproof and Dust resistant
- 0.1 Lux
- 1/3" CCD imaging device
- Resolution: 400TVL
- Mounting bracket and power supply included

SPECIFICATION

Image sensor: 1/3" SONY B/W CCD
Effective pixels:
EIA: 510(H) x 492(V)
Scanning System: 2:1 Interlace
Sync type: Internal
Output signal: 1.0Vp-p (Sync. Negative) Termination 75Ohm
Light sensitivity 0.1 Lux
Resolution: Horizontal : 400 TV-line
Lens: 3.6mm Fixed Focus Lens
S/N ratio: 45dB or more (AGC off)
Gamma: = 0.45
Gain Control: Automatic Gain Control
Consumption current: 110mA Max
Power supply: Regulated DC 12V 10%, Included
Shutter speed: EIA 1/60 - 1/100,000 second
Reverse polarity protection: Yes
Video out: BNC
Operation Temp.: -10oC ~ 50oC / 14oF - 122oF
Weight: Approx. 50g/1.75 oz
Camera Size: 2" X 1" Diameter / 49mm L x 23mm Diam.
