The product described in this specification shall be a SDV-410Y Video Security Door System with 1/3-inch black-and-white CCD camera with built-in infrared LED for low-light viewing. The camera shall have 420 TV line resolution and be powered by 12Vdc from the monitor.

SPECIFICATION

Camera: 1/3" Black & White
 Resolution: 420 TV lines
 Lens: F-3.7 mm (90)
 Power source: DC 12V (from monitor)
 Illumination: 0,lux/0.5 m
 Camera unit: CCD with infrared LED
 Video signal wiring: < 30 m ñ AWG # 2030 ñ 100 m ñ 75 OMS coax cable
 Operating temperature: -20 - +50 C
 Dimension: 116x70x18.5 mm
 Weight: 250 g

ACCESSORIES

SVM-410 – VIDEO SECURITY DOOR MEMORY UNIT

- Optional
- Records up to 32 frames
 - Resolution of 272x240/frame
 - Data Bits: 8 bits
 - 12 Volt DC
 - 3.0 Watts Maximum power consumption

SDV-410M – VIDEO SECURITY DOOR MONITOR

- Optional
- Add up to 4 additional units to enhance your system.

SDV-410MCS/SDV-410MCB

Outdoor Unit

EXTERIOR METAL HOUSING - SILVER & BRONZE

- Optional
- Full metal chassis
 - B&W Pinhole camera
 - Built-in Two-Way audio
 - Surface Mount only
 - Built-in Infrared Illuminators
