The Podium Kiosk is Touch Dynamic's answer to the industries need for a low cost, highly efficient Kiosk Solution. The Podium Kiosk offers endless possibilities as you can mount any Touch Dynamic All-In-One on the Universal Printer base to the Kiosk base. That includes 14.1", 15", 17" & 18.5" terminals that allow you to customize the look, speed and storage space of your Podium Kiosk.

Complete with optional removable shelves and vinyl wraps for marketing and advertising, the Podium Kiosk is a perfect fit for Fast Casual Restaurants, College Campuses and Retail spaces. With one plug that powers the entire unit and a back locking panel for storage and cable concealment, the Podium Kiosk from Touch Dynamic will give a clean, sleek look to any establishment.
