

# Lose the noise. Get the Point.

If you've used one of those other small Bluetooth® headsets, you already know what their problem is. You just don't sound very good—especially when it gets noisy. The VXi BlueParrott Point™ solves that problem. Yes, it's stylishly small. And comfortably light (just 0.42 ounces). But Point still manages to pack the many benefits of VXi's advanced technology into its small design. So it gives you incredibly natural, easy-tohear sound quality and highly effective (82%) microphone noise canceling. For more productive calls, wherever you go.

# **Benefits**

- Be heard clearly with the industry's best microphone noise-canceling technology.
- Enjoy crystal-clear communication with HD Voice.
- Pair easily with any two Bluetooth devices at one time.
- Stream music or GPS directions.
- Talk for over 6 hours per battery charge.
- Get the most out of your headset with the free BlueParrott App (Android/iOS).

Available in black or white, the VXi BlueParrott Point gives you great sound in a very small package.

# The VXi BlueParrott Point package includes

- USB cable
- Choice of ear buds
- Choice of ear hooks
- Quick-Start Guide

### **Features**

- Advanced noise-canceling microphone eliminates 82% of ambient noise.
- HD Voice for easy-to-hear, easy-to-understand sound.
- 6 hours of talk time/125 hours' standby time per charge.
- iOS battery charge monitoring
- A2DP support for streaming audio from Bluetooth devices.
- Near Field Communication (NFC) for easy, instant pairing\*.
- Multipoint pairing for use with two devices at the same time.
- · Lightweight comfort and roadworthy durability.
- Up to 66 feet of Bluetooth range (Class 2).
- One-year warranty.

\*When used with compatible NFC devices.
