65" Professional-grade LED Large Format Display

Large Full HD Screen for Hospitality and Pro/AV Environments

CDE6500-L

The ViewSonic® CDE6500-L commercial LED display is great for multi-screen setups in hotels, restaurants, sports bars, or retail outlets that require automated control and customizable presets. With a USB-programmable hospitality setting, each display can have the same customized channel default, audio level, keypad lockout, RS232, HDMI CEC control features, and more. A built-in media player supports USB playback of photos and music. The CDE6500-L also features easy management and control of multiple-display installations with connected HD set-top boxes, media players, and Blu-ray™ players. Featuring Full HD 1080p resolution, SuperClear® technology for improved wide-angle viewing, and dual integrated 10W speakers, this 65" display delivers crystal-clear multimedia content.

Key Features:

- **Hospitality mode for custom set-up calibration**
- **USB cloning**
- **RS232 with IR pass-through for local control of set-top boxes and other connected devices**
- **Built-in media player for USB playback of photos, and music**
- **SuperClear image enhancement technology for wide-angle viewing**
- **Versatile inputs include HDMI (x3), VGA, Composite, YPbPr, and SPDIF**

Designed for:

- **Hospitality**
- **Retail**
- **Education**
- **Business**
