

46" Full HD LED Commercial Display

Ultra-narrow Bezel for Seamless Video Wall Installations

CDX4652-L

The ViewSonic® CDX4652-L is a 46" commercial LED display that features an ultra-narrow bezel less than 3mm wide. With an edge-to-edge width of only 5.6mm between combined displays, the CDX4652-L is perfect for digital signage and video wall applications that deliver seamless, high-impact messaging in commercial, hospitality, and transportation venues. With its Full HD 1080p resolution, 500-nit brightness, 3,500:1 high contrast ratio, SuperClear® image enhance technology and wide viewing angles, as well as dual 10W stereo speakers, the CDX4652-L delivers sharp, vivid images with incredible sound for superior multimedia performance. Integrated DVI-out and RS232-out ports, along with a RS232 pass-through function, support the installation, management and scheduling of video wall installations for up to 5x5 daisy-chained displays. In addition, versatile connectivity options including HDMI, DisplayPort, DVI, D-Sub, YPbPr, and CVBS inputs, offer convenient, one-time installation for a variety of high-definition devices. The ViewSonic CDX4652-L is a reliable and easy-to-maintain commercial display solution.

Ultra-Narrow Bezel Optimized for Video Walls

Featuring an ultra-narrow bezel of less than 3mm, the CDX4652-L maximizes the visual impact of your company's messaging. With a 5.6mm edge-to-edge bezel between combined displays, the CDX4652-L can create stunning, near-seamless images when used in large video wall configurations.

Full HD and 500 Nits for Superior True-Color Performance

Full HD 1920x1080 resolution with 500-nit high brightness delivers superior pixel-by-pixel true-color performance. At this resolution and brightness, high-definition multimedia messaging can be seen crystal-clear with a more realistic viewing experience.

Efficient, User-Friendly Content Scheduling & Settings

The CDX4652-L provides an efficient, user-friendly scheduling interface via the on-screen display (OSD). Display setup features include time and date scheduling, repeat and shuffle settings, as well as content source settings for various inputs.

5x5 Daisy-Chain Support

With integrated DVI output, the CDX4652-L supports up to a 5x5 daisy-chain setup for multi-display installations. In addition, 1080p signal transmission is supported in daisy-chain configurations.

RS232 In/Out with IR Pass-Through for Easy Management

RS232 input and output connectivity, along with IR pass-through functionality, provides for the easy and efficient management of multiple-display configurations from a single notebook or PC. By using the RS232 output, daisy-chained configurations can be managed via a primary CDX4652-L display.

46" Full HD LED Commercial Display

CDX4652-L

Versatile Inputs and One-Time Configuration Settings

With a versatile selection of inputs, including HDMI, DVI, DisplayPort, CVBS, YPbPr (YCbCr) and VGA, the CDX4652-L enables you to easily connect and use a variety of digital equipment. Best of all, the one-time display installation and setup feature means your preferred source settings are never lost.

Applications

- Transportation
- Commercial retail
- Hospitality
- Video walls
