32" (31.5" viewable)
All-in-One Digital ePoster

Dynamic Advertising Made Easy

EP3203r

Impactful in-store digital signage is easy with ViewSonic's new EP3203r—an all-in-one 32" digital ePoster. The EP3203r can be easily configured for vivid retail messaging via its internal media player, or via connection to your favorite external media player. In addition, multimedia JPEG, music, or video content can be uploaded to the EP3203r using a USB thumb drive, or over a network. With a 200x400 mounting pattern on the back panel, the flexible EP3203r can be mounted in portrait or landscape orientation, and features a full edge-to-edge tempered glass faceplate. This display is ideal in high-visibility locations such as retail settings, banks and universities.

32" (31.5" viewable) HD 1366x768 Display Resolution

The EP3203r has everything you expect from a ViewSonic display—delivering stunning clarity and color performance with full HD resolution.

LED Backlight with 4000:1 Contrast Ratio

LED backlighting enhances display performance and delivers an outstanding color range, while a brilliant 4000:1 contrast ratio provides for remarkably detailed images.

Internal Media Player Supports Multimedia Content

With all-in-one functionality, the EP3203r has a built-in media player—making the sharing of vivid retail messaging a breeze.

Simple Content Loading

Multimedia JPEG, music, or video content can be quickly and easily uploaded using a USB thumb drive, or over a (LAN) network, or by adding an external media player, for extreme versatility.

Connect to an External Media Player or PC

Easily add a third party media player or PC with the integrated HDMI and VGA inputs.

Integrated Speakers

A pair of 5-watt integrated speakers is ideal for multimedia applications, videos, and audio-enabled display messaging.

Portrait or Landscape Mountable

The EP3203r ePoster is VESA® wall mountable (200mm x 400mm) in either portrait or landscape orientation for display flexibility in a variety of settings.
