VX2258wm

22" (21.5" VIEWABLE) MULTI-TOUCH LCD

WITH FULL HD 1080P

Touch the world on a large screen.

Designed with cutting-edge Infrared Optical Imaging technology, the 22" (21.5" viewable) ViewSonic® VX2258wm delivers multi-touch convenience in a large screen display that until now was only affordable on mobile devices. This full HD display lets you easily move and resize photos, web pages or documents by simply touching the screen. And with its DVI / VGA inputs, 100,000:1 dynamic contrast ratio and SRS Premium Sound™, the VX2258wm offers flexible connectivity and superior video / audio quality. Easy to setup – simply connect a USB cable (included) from your VX2258wm to a PC powered by Microsoft® Windows® 7 Home Premium or above. The VX2258wm is Microsoft Windows Touch certified, so you can enjoy the touch convenience enabled by many of the latest applications. Whether for work or fun, the ViewSonic VX2258wm helps you touch your world.

REACH OUT AND TOUCH

> **Multi-touch screen**
Simply touch, drag, move, resize and manipulate photos, windows, documents or web pages, just like on your favorite mobile device.

> **Microsoft® Windows® 7 Touch certified**
Enjoy the latest touch capable applications. Operating system requires Microsoft Windows 7 Home Premium or above editions.

> **Full HD 1080p display with 1920x1080 resolution**

> **OptiSync® digital/analog inputs expand your connectivity**
Multi-mode input technology supports both digital (DVI) and analog (VGA) signals for ultimate compatibility and configuration flexibility.

> **Integrated speakers with SRS Premium Sound**

> **Ergonomic design**
VESA wall-mount option and ergonomic design with tilt and swivel adjustment.

> **Eco-mode for energy savings**
Environmentally-friendly Eco-mode reduces power consumption and extends backlight life.
