wacom® for Business

DTK-1660E

For beautifully flexible paperless workflows

Product Overview

Featuring a 15.6 Full HD resolution IPS LCD display, the Wacom DTK-1660E is a premium pen display that enables businesses to create an optimal paperless workflow for in-person customer interactions. Using the DTK-1660E as the key customer-facing device in a paperless workflow, the end-to-end documentation process can be accelerated from days to minutes. Moreover, the costs associated with buying, processing, distributing, storing and securely destroying paper documents can be completely eliminated.

The DTK-1660E features state-of-the-art encryption and 8,192 levels of digital pen pressure sensitivity that enables biometrically-accurate electronic signature capture. These attributes enable organizations to provide the most familiar and secure electronic signing and writing experience. The DTK-1660E also combines a modern, slim look with usage in portrait or landscape mode to create a flexible, comfortable user experience.
