- **Finish**– Powder coated

250 Series Portion Control Mechanical Top Loader Scales

Features

Where economy is a must the Salter Brecknell Model 250-6S toploading 6" dial scale is ideal for a variety of applications with fixed weight limits.

Designed for the food service industry, the scale features stainless steel platform, easy-to-read fixed dual marked dials with large pointers, dashpot for fast readings and sturdy construction. Choose from 2, 6, 11 or 22-pound capacities all in stainless steel.

The Model 250-8 is an 8" mechanical scale with a fixed weight dial and is easy-to-read from a distance. The dual marked dial shows simultaneous readings of pounds and kilograms. The powder coated finish and sturdy construction make this multi-purpose scale suitable for many weighing applications. Choose from 22, 66 or 130-pound capacities in gray mild steel finish.
