ZEBEX® America, Inc.

The KIT Wand Bar Code Reader for PC, PS/2, and Compatibles

Features

Simple Installation
Low Power Consumption
All Popular Bar Code Symbologies
User Programmable

Description

The Kit Bar Code Reader is installed (wedged) between the main unit and the keyboard of your computer by using the cable provided on the reader. It will process and transmit the bar code data as if it were typed on the keyboard. When the wand is not in use the keyboard will operate normally.
